

We need to present WBL City council prioritized list of changes we would like to see them approve to increase retail parking within downtown area. The Public Works Department does need to schedule this work so we have listed over 3-year period.

2016

Clark Ave – between 2nd Street and 3rd Street

- Remove curbing at island – stripe additional space +8
 - Review time restriction @ island
- Stripe in front of Library +2

3rd Street

- Stripe spot in front of Washington Square +1
- Stripe spot in front of walk thru @ Ban Tai +1

4th Street

- Stripe spot in front of garden walk thru + 1
- Stripe south side – Cook Ave to Stewart Ave +2

Cook Ave

- Stripe west side 3rd Street to 4th Street + 2 – City will look at widening during upgrade.
- Stripe east side - 4th Street to 5th Street +2
- Stripe east and west sides 5th Street to 7th Street +2

2017

- Public lot (Indulge/Good Things)- city has in plan to reconfigure- see drawing

2018

- Public lot (Ace/Bear Patch)- city has in plan to reconfigure +13
 - Change curbing for angle in – 5th St to east entrance +10
- Public lot (Kellerman Hall/Sunbear)- city has in plan to reconfigure

- Adding Stripes will keep these parking areas organized
- Charging stations
- Enclosed garbage structures
- City needs to calculate potential assessments
